**EXTRA-CURRICULAR ACTIVITIES****Outreach Committee, IISER Mohali**

2013 - 2015

*I was a student volunteer of the institute Outreach Committee and had made several presentations. Our main focus was to introduce topics of current scientific research to school teachers (of the Punjab Government school system) and bring out the connection between learning science and doing science. We also organized the Annual Science Day for school students in the tri-city area (Chandigarh-Panchkula-Mohali).***MGSA, UofT**

2016 - 2020

*I was an active member of the Mathematics Graduate Students' Association. For several years, I was a Graduate Planning Committee representative. In addition, for the academic year 2018-19, I was appointed the treasurer.***Math Outreach, UofT**

2018-2020

*I was a mentor for the high school mentor-ship program. I mentored Anna Krokhine for her research project on graph theory and combinatorics in 2018. In 2019, I mentored*

*Maya Bozzo-Rey on her project on Benford’s Law. In 2020, my student, Jennifer Wang explored questions from number theory.*

**Women in Math, Toronto Chapter**

2019-2020

*Female graduate students from schools in and around the Greater Toronto Area came together for WiM, Toronto Chapter in 2019. I was a part of the core team and a mentor for incoming graduate students.*
